Reference: Second amendment to Report of Receipts and Disbursements
(4/01/1998 - 05/13/1998)

Dear Lisa:

The following information amends campaign disclosure statement, FEC Form 3, executed on 05/18/98.

The amended information affects the Summary Page, part 10. This is the result of an addition of \$4,260 to accrued expenses. No change to cash on hand.

Schedule B, Itemized Disbursements, *Operating Expenses* pages 1, 4 and 5 of 8, item C on all, corrects description on the purpose of Disbursement.

Schedule D, page 1 of 1, item C is added to amend totals on accrued expenses, thus increasing the subtotals and totals on the bottom of the page.

Hopefully, this concludes the necessary information to amend the Campaign Disclosure Statement dated 05/18/98.

Sincerely,

Cathleen Miller
Treasurer
